

Performing System Checks

After reaching the D2L homepage you should perform a system check to be sure that your computer has all the necessary requirements.

Welcome

Welcome to the South Dakota BOR Desire2Learn portal, the entryway to all of your online course materials. This portal offers you the opportunity to view course offerings from all the regental universities in one session. Please log in to view your courses and take some time to familiarize yourself with the Desire2Learn Learning Management System.

Contact the Help Desk at your University for a login.
