

Introduction to Classlist

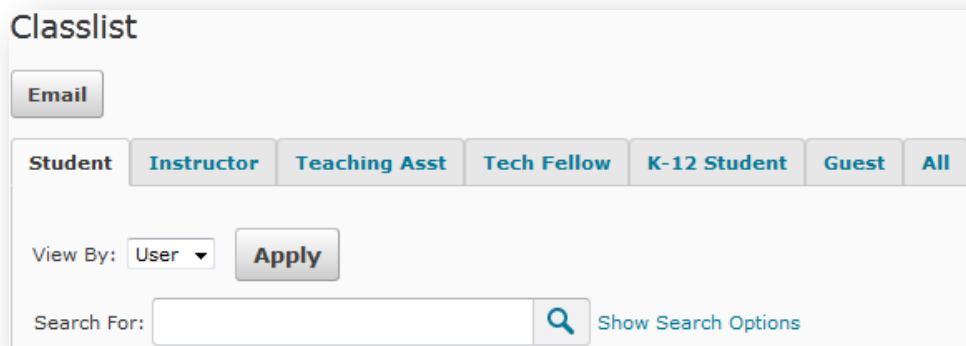

- In this tutorial you will learn how locate and use your classlist
- First, choose a class in D2L, using the drop down menu in the navigation bar or the My Courses widget in your My Home page

- Once you have chosen a class, select the resources drop down menu
- And then Click “classlist”

- Here you can find contact information for the students in your class, as well as the instructor.
- If you are unable to find who you wish to contact, type in the name within the search box.

- The classlist allows you to “select” the person you wish to contact

Introduction to Classlist

- After you have chosen the person you want to contact, you can email or page them by using the hyperlinks at the bottom of the page.
