

Participating in Discussions

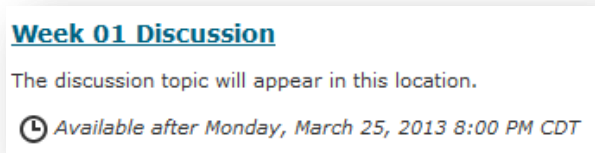

- In this tutorial, you will learn how to participate in class Discussions.
- First, log in to D2L and select the drop down arrow located at the top of the page on the navigation bar or if you have selected the course before it will appear under My Courses on your home page.

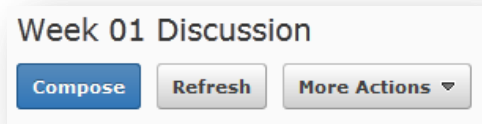

- When your course appears select the drop down arrow beside Communications and then select Discuss.

- To participate in a discussion, click on the hyperlinked title for that discussion topic. The availability date and locked dates will appear under the assignment.

- Click on Compose option to post your response to the discussion topic.

- A new window will appear with subject, message, attachments and post. When entering your discussion responses, please remember that you are able to format your text, insert different things, and spell check your response. When you are finished with your response click post.
