

Viewing Your Grades

- This tutorial will explain how to view your grades in a selected course
- To begin, select a course using the drop down menu within the navigation bar or the My

Courses widget, within the My Home page

- Once you have been directed to the Course Home page, click the Assessments drop down menu

- Select the Grades hyperlink

- You will then be brought to the Grades page
- Here you will see
 - Grade Items, which displays the assignments, quizzes, or tests within the course
 - Points, which displays the points available and earned
 - And the overall grade for the Grade item
- In the top right corner there is a hyperlink that will allow you to print this page
